Seamless & Welded - Pipes and Tubes

OHSAS 45001 : 2018  
ISO 14001 : 2015  
ISO 9001 : 2015  
PED 2014/68/EU, AD 2000-Merkblatt WO

**Prudent Stainless Pvt Ltd** is distinguished and pre-eminent stainless steel company, involved in manufacturing and value addition in high end stainless steel products. Our Manufacturing facility is Located in Umbergaon which is a situated near Maharashtra - Gujarat border and close proximity to the well-connected transport hub Bhiwandi (138Kms), Sea port: Nhava-Sheva (192 Kms), and Mumbai Airport (151kms), which makes it an added advantage in transport cost, time and able to offer high service level to Asia Pacific region, Middle east, Europe, American sub-continent and Africa. Our supply chain management and strategic capability are an added advantage to deliver the material with minimum delivery time or on short notice to our customers.

## Stainless Quality and Eternal Reputation

We at Prudent Stainless Pvt Ltd, always believe that quality and customer's satisfaction are our foundation for growth and development. Therefore, it is our declared objective that, we shall do everything possible to achieve our objective and motto of "Stainless Quality and Eternal Reputation" by using proven technology, innovative process, continual improvements, better quality, timely delivery and un matched service. Our distinguished products comprise high quality range. Characteristics of all these products are high durability, complete resistance to corrosion and flawless finish. Our company owns advanced equipment and technology and all product range is stringently tested by our highly equipped testing unit that ensures international quality norms. Our back support lays with our hard-working team of professionals in order to deliver high quality products. We are committed to our Integrated Management Policies (Quality, Environment, Health, Safety and Social accountability) for total satisfaction of Customers, Employees, Stake Holders and all related and interested parties through continual Improvement of our processes.

## Offering Value Through A Wide Range Of Products

### Welded Pipe - Stainless Steel

Outer dia-size:	13.72 mm - 508 mm
Thickness:	0.70 mm - 12.7 mm
Length:	Up to 12 Meter, Regular production order lengths are 6.0 / 6.1 Meter
Specification:	ASTM A 312, A778, A554, A358 CI-1, A358 CI-3
Type:	EFW, ERW
Shape:	Round, Square and Rectangular
Pipe End:	Plain, Bevelled
Grades:	201, 202, 304, 304H, 304L, 316, 316L, 321, 316Ti

### Welded Tube - Stainless Steel

Outer dia-size: 9.5 mm ~ 102 mm  
 Thickness: 0.70 mm ~ 5 mm  
 Length: Up to 12 Meter, Regular production order lengths are 6.0 / 6.1 Meter  
 Specification: ASTM A 213, A269, A249, A554  
 Finish: Aesthetic, mirror, mechanical polished  
 Shape: Round  
 Pipe End: Plain  
 Grades: 201, 202, 304, 304H, 304L, 316, 316L, 321, 316Ti

### Seamless Pipe - Stainless Steel

Outer dia-size: 13.72 mm ~ 219.08 mm  
 Thickness: 1 mm ~ 8.18 mm  
 Length: Up to 12 Meter  
 Specification: ASTM A 312, A 376, A 789, EN 10216-5  
 Type: Annealed and pickled Line Pipe, Boiler Pipes  
 Pipe End: Plain, Bevelled  
 Grades: 304, 304L, 304H, 316, 316L, 310/S, 321/H, 316Ti, 347/H, 31803, 32205  
*Special specification and grades are also available on requirement.*

### Seamless Tube - Stainless Steel

Outer dia-size: 8 mm ~ 102 mm  
 Thickness: 0.90 mm ~ 5 mm  
 Length: Up to 18 Meter  
 Specification: ASTM A213, A269, A 789, EN 10216-5  
 Type: Annealed and pickled straight Tubes, Boiler Tube, Heat Exchanger Tubes, Hydraulic and Instrumentation Tube  
 Pipe End: Plain  
 Grades: 304, 304L, 304H, 316, 316L, 310/S, 321/H, 316Ti, 347/H, 31803, 32205  
*Special specification and grades are also available on requirement.*

### Decorative | Section Tubes - Stainless Steel

OD: 9.53 mm to 127 mm (Round), 10X10 to 100X100 mm (Section)  
 Thickness: 0.7 to 3 mm  
 Length: Up to 6.1 Meter  
 Specification: ASTM A 554, A 269, A 270  
 Finish: 2B, 1. Satin and Mirror Polish finish (600 grit, 400 grit, 280 grit), Perforated, Color Tube  
 Shape: Round, Square, Rectangular, Customized shaped (U, Slot, Oval, Embossed, Handrail Oval)  
 Grades: 201, 304, 316L  
 Application: Decoration, Railing, Curtain Rod, Furniture, Structure, Section

## Application Industries

### Oil and Gas Industry

#### On-Shore and Off Shore installations

- Vessels, Tankers
- Oil Refining
- Chemical Processing
- Petrochemical Processing
- Risers / Manifolds, Platforms
- Fire Fighting Piping
- Furnace Roller / Muffle Furnace

### Power Generation, Transportation

- Thermal and Nuclear Power Plants
- Renewal Energy Solution
- Automotive & Rail
- Marine & Sub Marine
- Safety Systems
- Fuel & CNG Line, Signal Transmission Lines

### Water and other Industries

- Desalination Plants
- Water Treatment Plants
- Medical & Pharmaceuticals
- Pulp & Paper
- Fertilizer
- Food and Dairy Processing
- Alimentary

### Decoration, Furniture

- Interior & Exterior
- Elevators & Escalators
- Hand Rail, Sanitary Wares
- Display shelf
- Hardware, Furniture
- Machinery Equipment

## Process, Testing & Inspection

At **Prudent Stainless Pvt Ltd**, Every qualified product passed through standard testing procedure as per specification and customer's requirement (In - house and Outsource testing facilities), we are accepting Client's own QC Inspection personal and international approved inspection agencies also :-

Total Solution provider for welded and seamless Tubular products

Unit Add: A2/229/1, GIDC, Umbergaon - 396170, Gujarat, INDIA.
